3. Utility policy

Utility Policy:

Any outstanding debts to the City of Colquitt must be satisfied BEFORE City services are established. Deposit amounts are $150 for water plus an additional $150 if you have gas. There is a $50 new application fee. If you open your account before the 16th of the month you will have a bill at the end of that month. We do not pro-rate service or transfer deposits. Your bill is due by the 10th of each month, and if not paid by that date a late fee will be added. Please call the office if you do not receive the bill; it will still be due by the 10th. Accounts with unpaid balances on the 20th of each month will have an additional $50 added to the account and the meters will be locked. Accounts must be paid in full to be reconnected. If you are disconnected twice in one year you will be required to pay an additional deposit of $100 each time you are on the disconnect list for the rest of the year. We do one payment arrangement per year. With payment arrangements you still have to pay the disconnect fee and also the extra deposit if you've been on the shut off list more than two times. If you have a returned check or draft, there will be a $40 fee for the item. If your account goes past due it may be sent to outside collections and the balance plus 25% collection fee will be due.

FOR PROPER GARBAGE CAN PICKUP, THE OPENING MUST FACE THE STREET.
